## CGA Rules & Judges/Riders/General Membership Meeting Agenda for November 17<sup>th</sup>, 2012 Fresno, CA

### I. Opening & Introductory Comments – President

### II. Rules & Judges Items (Voting – Rules & Judges) *ALL CGA Members are invited to participate in this portion of the meeting, however ONLY Carded CGA Judges may vote on action items at this point.*

- A. **Dianna Malley:** At any state sponsored show (State Show, Jamborees and Classics) you must ride the division time in order to place in the division and to accumulate points toward high point, meaning if you don't run the division time you don't get the points for that division and subsequently the award. (For example, if you are signed up AAA and you run a AA time you will not get points or an award in the AAA division, you must run the time in order to place in the division.)
- B. **Dianna Malley:** In regards to the contrasting stripe around the barrel, move to change the requirement regarding a contrasting band/stripe around a barrel.

### Riders/General Membership Meeting

### III. New Business (Voting – All Members) *ALL CGA Members are invited to participate in this portion of the meeting, all members 12 & over may vote.*

- A. **Rules & Judges items for final vote.**
- B. **Skip Hofman:** Change the age for the Senior Elite Program to 50 years old.
- C. **Andy Krogh:** Changes to points accumulation. “ Move that any points accumulation system can only be utilized if the computer software either has the capability to do the system or that any new system(not currently part of the computer program) will be implemented as soon as the software is updated. No hand calculations. This applies to only State Sponsored Shows.” I think it needs to be done in the software to make the points accumulation as fair as possible and to limit the amount of work required on the person/s that are doing the office work. Also cuts down on the confusion with the daily “pink sheet” points not corresponding with the shows Highpoint and Reserve awards points. It will let the riders more accurately at a State Sponsored show know where they are at the end of each day.

### IV. Other Issues, Concerns & Comments (Non-voting)

### V. Adjournment
