CGA Rules & Judges/Riders/General Membership Meeting Agenda for November 15th, 2014 Fresno, CA

I. Opening & Introductory Comments – President

II. Rules & Judges Items (Voting – Rules & Judges) *ALL CGA Members are invited to participate in this portion of the meeting, however ONLY Carded CGA Judges may vote on action items at this point.*

- A. Sherri Herchkorn on behalf of the MAC: RB 3.5 Pony Size. Motion to scratch the following " All ponies must be certified by a CGA Master Judge annually and expire at State Show for the current season. Those animals that measure greater than 12.2 hands must be measured by 2 Master Judges or one Master Judge and the local Senior Judge". And to replace with the following. "All ponies must be certified by two (2) CGA Master Judges annually and expire at State Show for the current season".
- B. Rebekah Crill: Rule Book: Section 3.1a Remove the underlined wording: Clothing shall be neat and clean, either Western or English riding attire, but not mixed, except where required for safety (i.e. hard hat). *The intent is to take away the subjectivity for the judges since so much tack is now interchangeable.*
- C. Spring Krogue: ROC & CGA State Records: Ponies are allowed to run and compete in the horse division, presently if a Pony enters state show as a horse and breaks a "horse" arena record they will be given the "horse" record and the money for breaking the record even though they are a pony and not a horse. I don't see this as being fair, mainly because it is a HORSE record meaning the times are ran and set by a HORSE not a PONY, in many instances pony times are faster than horse times and secondly horses are not allowed to run and compete in the pony division. I would like it to be clear that a pony can never be allowed to hold a "horse" record in the ROC program and at any State Function. In my opinion horse records belong to horses and pony records belong to ponies.
