

# CGA STATE SHOW

## July 15- July 22, 2022

### Welcome Riders!

The California Gymkhana Association State Championship Show management team would like to take a moment to welcome all of you and to go over a couple of things before we begin this year's show.

This year commemorates our 48th year holding the most prestigious Gymkhana Show in the Nation. As always, CGA will "do it right", as our riders compete together riding hard. Some of the best horseman and horsewomen in California will be at this year's show displaying their abilities in good clean sportsmanship.

We will actually be having a few shows going on this week. Starting on Friday, we will have our Set-up Show so our riders can get those last-minute times before the end of the year. Then every morning for the rest of the week starting at 8:00 a.m., the State Championship Show will be run.

If you have never attended a CGA State Show before, you are in for a special time. **We have 13 Performance Divisions/Age Groups for the State Championship Show.** With all the division choices, every rider from novice to ROC has the same opportunity to win a prestigious CGA State Championship High Point award. We hope to see all of you there. **Ages should be current age as of July 16, 2022.**

**Again this year,** we will have a Lead Line class for riders 10/under. This will be a non-competitive division and all participants will receive a participation ribbon as well as an award at the end of the show. Please use the Lead Line entry form if you have a child that will be riding in the Lead Line division. **Lead Line entry forms can be found on the CGA Website @ [www.calgymkhana.com](http://www.calgymkhana.com).**

One of the most exciting parts of our show is in the evening when our Match Race Crew holds our Match Race competition! This is when the 16 fastest riders in each event for that day go head-to-head for the loot! Be sure and get in on the Calcutta Auction action before the Match Races begin each evening where you can bid on the rider you think will win.

We want to be sure that everyone who attends has a great time both in and out of the arena. Enclosed are a few of the State Championship Rules. Since there are riders who bring a huge fan base with them, we ask that the CGA members please explain all the CGA Rules that apply not only to the State Finals, but to CGA as an association.

We would like to thank each and every one of you for making it out this year. Please take the time to thank members of our Show Management Team for all of the hard work they put into bringing you the best Gymkhana Show in the Nation!

Good luck riders and have a great 2022 State Show.
