Welcome to the California Gymkhana Association's 49th Annual State Championship Show

Welcome Riders!

The California Gymkhana Association State Championship Show management team would like to welcome you and to go over a few things before we begin this year's show.

This year commemorates our 49th year holding one of the most prestigious Gymkhana Show in the Nation. CGA will continue making great memories as our riders compete and achieve goals together. Some of the best horsemen and horsewomen in California will be at this year's show displaying their abilities in good clean sportsmanship.

We will have two shows going on during the week. Saturday we will have our Set-up Show so riders can get those last-minute times before the end of the year. Then Sunday morning the State Championship Finals will kick off with our Grand Entry Ceremony.

One of the most exciting parts of our show is in the evening when our Match Race Crew holds our Match Race competition! This is when the 16 fastest riders for that day go head-to-head for the loot! Be sure and get in on the Calcutta Auction action before the Match Races begin most evenings, where you can bid on the rider you think will win.

We want to be sure that everyone who attends has a great time both in and out of the arena. Please look in the back of this Show Premium for our State Championship Rules. Things like the 10:00pm curfew, no pools and no open flames are mentioned here and we ask that everyone respects these rules so everyone in attendance this year can enjoy themselves. If you come across something that is not mentioned in the premium regarding the rules for the show, please bring it to the Show Management Team's attention so we can make a decision for you.

Since there are riders who bring a huge fan base with them, we ask that CGA members please explain all the CGA Rules that apply not only to the State Finals, but to CGA as an association. If a member of a camp refuses to follow these rules and becomes a problem for other campers and riders, that individual along with the CGA member they are associated with will be asked to leave the Show Grounds. If you are bringing some guests with you, be sure they understand. It could be your saddle they are messing with!

We would like to thank each and every one of you for making it out this year. Please take the time to thank members of our Show Management Team and our State Office Crew for all of the hard work they put into bringing you the best Gymkhana Show possible!

Good luck riders and have a great 2023 State Show.

A Letter from Our President

Welcome back CGA to the 49th State Championship Finals!

Wow! Here we are back at State Show. I can't believe it has already been a year since the greatest show of the year. This year I have had the time and opportunity to travel and visit other districts. Talking with members that have never been to State and are looking forward to experiencing it for the first time is awesome.

Returning this year, we will be having the pizza get together following the riders meeting. On the day off we will be having the pancake breakfast at no charge to everyone on the grounds. Later on, we will have the dog races mid-day with a new addition this year. Then join us for bingo and other activities in the evening.

I am looking forward to hanging out with all my friends and family. State Show is the one event I can hardly wait to come around every year. I love every part of the show, from set up to tear down, watching lead line to AAA+ riders and of course my favorite event, MATCH RACES.

I would like to thank all returning members and welcome all new members to our 49th State Finals. CGA STRONG

Optional 5-D Jackpots for the 13 events

Riders may optionally enter a jackpot for any or all of the regular events. The cost is an additional \$5.00 per event, and a rider may choose to enter the Jackpot for some, or all of the regular events. These jackpots are unrelated to the rider's division or age, and whether or not they are riding a horse or a pony. They are based strictly on the time the rider achieves in that event. *Only the times of the Riders entering the Jackpots count.* The size of the payout is determined by the number of riders in the jackpot. The Payout is:

Fastest ride - 40 % of the jackpot
 2-D ride - 30 % of the jackpot
 3-D ride - 10 % of the jackpot
 4-D ride - 10 % of the jackpot
 5-D ride - 10 % of the jackpot
 CGA - None. All jackpot money is paid back to the riders.

2-D, 3-D, 4-D and 5-D rides are those that come the closest (*without going faster*) to the fastest time of those entering the jackpot +(plus) the adjustment factor for that event. The adjustment factors are listed below.

Event	2-D Adjustment	3-D Adjustment	4-D Adjust.	5-D Adjust.
BAR	+ 1.380	+ 2.761	+ 4.141	+ 5.521
BR	+ 1.120	+ 2.241	+ 3.361	+ 4.481
F8F	+ 3.130	+ 6.260	+ 9.391	+ 12.521
F8S	+ 0.820	+ 1.640	+ 2.461	+ 3.281
HS	+ 1.564	+ 3.127	+ 4.691	+ 6.255
KH	+ 1.317	+ 2.634	+ 3.951	+ 5.268
P1	+ 1.534	+ 3.067	+ 4.601	+ 6.135
P2	+ 2.367	+ 4.734	+ 7.101	+ 9.468
QR	+ 1.587	+ 3.174	+ 4.761	+ 6.348
SBL	+ 1.204	+ 2.407	+ 3.611	+ 4.815
SBR	+ 0.814	+ 1.627	+ 2.441	+ 3.255
SSR	+ 0.544	+ 1.087	+ 1.631	+ 2.175
BT	+ 2.035	+ 4.070	+ 6.105	+ 8.140

For example, if the fastest ride in Poles I was 10.990 seconds, and the jackpot was \$400.00, then that rider would receive \$160.00. The rider closest to the 2-D time of 12.524 (10.990 + 1.534) *without going faster* would receive \$120.00. The rider closest to the 3-D time of 14.057 (10.990 + 3.067) *without going faster* would receive \$40.00. The rider closest to the 4-D time of 15.591 (10.990 + 4.601) *without going faster* would receive \$40.00. The rider closest to the 5-D time of 17.125 (10.990 + 6.135) *without going faster* would receive \$40.00.

14. Permission Slips for Minors: If you are not attending the CGA State Show with your child, **you must** send with the guardian, a signed letter, giving permission for decision making for potential medical emergencies.

15. Stalls: VERY IMPORTANT READ CAREFULLY

Stall facilities on the grounds will be provided on a first come first served basis. No stalls may be "Reserved" or "Saved". Only Show Management has the privilege to reserve stalls for their own use, because early arrival of the management is required to set up the show. Stallions, biters, kickers, or "problem" horses should be placed in the Pipe corrals alongside of the arena. *Please make sure your animal is current on all inoculations.*

U-Barn Stalls can be reserved through the State Office and are only issued with a completed State Show Entry Form. **Do not call the state office for reservations.** The State Office will contact you when and if you have been assigned a U-Barn Stall (32 stalls). See the entry form for additional costs of these areas. **Entries received reserving a U-Barn stall must be accompanied by registration and payment of a minimum of 12 events.**

All other stalls, you may put your horse in any stall that has not been taken. *You may NOT save a stall for a friend or relative, you may only take the stall(s) you have paid for. No stalls may be used for horses not entered in the regular show. If you are only riding setups or team events, you may NOT reserve a stall. You may NOT lock up a stall. Any stalls found locked will have the lock cut off. The stall is NOT yours unless your horse is in it. ABSOLUTLY NO DIVIDERS ARE TO BE RE- MOVED FROM ANY STALL, INCLUDING BARNS A, B & C.*

You must provide shavings (*absolutely NO straw, per Park Management*) for your stall. You must keep your stall clean and give your animal fresh water so bring a water bucket, stall rake or shovel and do not put your stall cleanings/manure in the aisle way, there are locations at the end of each barn to pile the manure/cleanings so the park crew can come around and clear it away easier. ALL STALLS must be cleaned of all manure and shavings when the show is over before you leave the grounds.

NOTE: STALLIONS AND PROBLEMS HORSES. All stallions are required to be in pipe corrals that are located in the center of the arena area. **YOU MUST CONTACT** the Barn Manager **Dianna Malley 707-410-7208** for your stall if you have one of these horses. Stalls have been isolated for you. There will be no **PROBLEM HORSE** stalls available this year. If you have a biter or kicker you should plan to bring orange plastic netting to install between your stall and others to eliminate any problems. All horses/ponies entered in the show **MUST** have their CGA stall card displayed as soon as possible. At no time may a horse /pony be kept in a trailer, all animals that are entered in the show must be kept in a stall.

The portable pipe stalls at the north end of the grounds are not attached to the ground, only to each other. **No EZup or similar temporary shade will be allowed in the portable stall area. Please be sure your animal is current on all inoculation. AT NO TIME ARE DIVIDERS ALLOWED TO BE REMOVED BETWEEN STALLS and do not use stalls to store feed or tack, only animals since space is limited.** The A barn has smaller stalls, if possible, ponies are encouraged to use them.

16. Horse Trailer Parking: Please park your horse trailer in the designated areas. Remember to keep the roadways clear at all times. The fire apparatus and ambulances that may have to respond are much larger and require room to maneuver around, keep this in mind when you park your trailer and whenever you are driving around the grounds. What may only take a minute to you may severely delay emergency care or action for someone else. Horse trailers are not allowed in the camping area unless they have been cleaned out and are being used as a living area. Remember at no time are horses allowed in the camping area. **NO PARKING OR CAMPING IN THE U-BARN CIRCLE**, the grandstand side of this area is **limited trailer parking. NO HORSE TRAILER PARKING/CAMPING WILL BE ALLOWED INSIDE THE TRACK AREA AROUND THE ARENA.**

17. Camping: Camping will only be permitted in designated camping areas. No camping in the barn areas will be permitted. If you are not sure contact the State Show Office for clarification. ALL tents must pay camping fees regardless if you are camped with an RV. Any tent with an electrical cord running to it will be charged hookup fees.

18. Electrical Outlets: Electrical outlets are assigned on a "first-come" basis. **DO NOT TAMPER WITH ELECTRICAL COVERS AND CIRCUIT BREAKERS.** If you have an electrical problem, please contact show office. 20-amp service is available, and you must bring your own cord since outlets may be some distance from your camp. **Use of air-conditioning is not allowed unless you are using your own generator. TAMPERING WITH ELECTRICAL OUTLETS AT ANYTIME WILL CAUSE YOU TO BE REMOVED FROM THE SHOW GROUNDS.**

19. Water outlets are on a limited supply (first come basis) and are part of the RV hook up charge. Should you require water for medical reasons advise show management so accommodations can be made.

20. BBQ Ashes; All BBQ ashes and charcoal briquettes must not be dumped in the trash cans or dumpsters. They must be completely cold then be placed in a bag for disposal. **No open flames allowed.**

21. Riders receiving awards are **encouraged** to follow the CGA dress code when picking up your awards.

22. No Pools Allowed – There are no pools of any kind allowed. This includes pools of all shapes, sizes and designs.

23. State Records: CGA State records may be broken only during regular events. The last person to break a State Record for an individual event receives \$500.00 and is honored with a special award at the annual CGA Convention. Riders who break a State Record in a Team Event split the \$500.00 and are honored with a special award at the annual CGA Convention.

24. Protest Procedure: A verbal protest must be made to the Show Office within fifteen (15) minutes of the incident. A written protest must be presented within thirty (30) minutes of the verbal protest accompanied with **ONE HUNDRED (\$100.00)** dollars CASH. A protest committee (Rules Chairman and all available Master Judges) will conduct a meeting to decide on the protest. All decisions are final.

25. Pony Measurements: Ponies must be measured at the State Show prior to running the first event. *Pony measurements will take place on Friday July 14th and Saturday July 15th near wash racks.*

26. DIVISION SIGNUPS: Division Signups – If you are **Champion** rated, you may not sign up lower than the division you are rated by CGA State Office. If you are **Reserve** rated, you may sign up one division lower than the **Reserve** rated division, if you choose. Keep in mind, a rider may accumulate high points (points) in the division he/she is signed up in and **ONE** division higher.

27. MULTIPLE ENTRIES: If you signed up on multiple mounts; accommodations may be considered if both mounts are called to ride at the same time in different arenas. However, you must send a representative to the arena you are not riding in to notify the announcers and judge **PRIOR** to ride time. You may be moved down but you must ride within your division or you will be given a one-minute call. Once the event has been advanced to the next division you will not be allowed to ride out of order.

**ANY QUESTIONS ABOUT ANY OF THESE RULES, POLICIES OR
RECOMMENDATIONS PLEASE CONTACT THE CGA STATE SHOW
MANAGERS.**

Match Race Procedure

PLEASE NOTE: The Match Race rules will be available for reading at the show.

1. The top 16 times run during the course of each event regardless of what division a Rider is running in will qualify the Rider to ride in the Match Races. If a Rider is riding two mounts and qualifies on both in an event, the Rider can only ride one of the mounts in the Match Race and must declare which mount he/she will ride when signing up at the entry booth. Eight (8) alternates will be named (the next eight best times) to ride in case of injury or any one of the top 16 Riders chooses not to participate. All the alternates should be at the gate ready to ride in case one of the 16 finalists do not show up for some last-minute reason. **All riders including alternates** who qualify for a Match Race **must sign** in at the entry booth in person **within 30 minutes from the time the list of riders is announced** if they choose to participate. If any rider doesn't sign, the next alternate will be moved up. *Alternates, do NOT sign "yes" if you do not intend to ride.*

2. The Riders will be randomly selected to ride in each of eight (8) heats (two Riders per heat). This competition will result in eight (8) winners who will then compete in four (4) heats. This competition will result in four (4) winners who will then compete in two (2) heats. The two (2) winners of that competition will then compete in the finals to determine Champion and Reserve Champion. The losers from the previous heat receive a tie for Semi-finalist money.

3. Dual lane electronic timers will be used to start each race, to call a foul start and to declare the winner.

4. Two Riders will be called into the arena. As the first Rider enters the arena, an electronic timer will start counting and at 15 seconds a warning signal tells the Riders that the race will begin in 5 seconds. If a Rider crosses the starting line prior to the starting horn, the electronic timer will set off a foul start light and that Rider will be disqualified. For the Riders that have a good start, the timer will flash a green light for the first rider to cross the finish line. The first Rider to cross the finish line with the least number of obstacles knocked down will be the winner of that heat. In the event of a timer malfunction, the Head Judge will either declare a winner (if it's obvious), or require that the heat be rerun.

5. If all Riders are disqualified in a specific heat, there will be no winner for that heat.

6. If anyone outside of the arena assists a Rider who is in the arena, such as holding the mount from over the fence or has any physical contact with the mount, the Rider will be disqualified. Everyone must stay at least 10 feet from the fence once the system is on.

ABSOLUTELY NO CHECKS ACCEPTED FOR CALCUTTA
