Which District Table would you like to be seated at? _____

*You will be assigned to that district's tables but not assigned a specific seat.

This year we are doing a bit different. You will note which district you wish to sit with and you will be assigned to that district's table(s). Folks no longer need to send all group money in together to reserve a table. Seats will be first come; first serve within the district tables. You also do not need to list the names of each person you are paying for - only the number of adult and child tickets you are purchasing. The *Contact Name* listed above is the person who can pick up dinner tickets at Convention.

Additional Forms can be found at www.calgymkhana.com on the "Convention" tab.
