Welcome to the California Gymkhana Association's 52nd Annual State Championship Show

Welcome Riders!

The California Gymkhana Association State Championship Show management team would like to welcome you and to go over a few things before we begin this year's show.

This year commemorates our 52nd year holding one of the most prestigious Gymkhana Shows in the Nation. CGA will continue making great memories as our riders compete and achieve goals together. Some of the best horsemen and horsewomen in California will be at this year's show displaying their abilities in good clean sportsmanship.

We will have two shows going on during the week. Saturday we will have our Set-up Show so riders can get those last-minute times before the end of the year. Then Sunday morning the State Championship Finals will kick off with our Grand Entry Ceremony.

One of the most exciting parts of our show is in the evening when our Match Race Crew holds our Match Race competition! This is when the 16 fastest riders for that day go head-to-head for the loot! Be sure and get in on the Calcutta Auction action before the Match Races begin most evenings, where you can bid on the rider you think will win.

We want to be sure that everyone who attends has a great time both in and out of the arena. Please look in the back of this Show Premium for our State Championship Rules. Things like the 10:00pm curfew, no pools and no open flames are mentioned here and we ask that everyone respects these rules so everyone in attendance this year can enjoy themselves. If you come across something that is not mentioned in the premium regarding the rules for the show, please bring it to the Show Management Team's attention and a decision will be determined.

Since there are riders who bring a huge fan base with them, we ask that CGA members explain all the CGA Rules that apply not only to the State Finals, but to CGA as an association. If a member of a camp refuses to follow these rules and becomes a problem for other campers and riders, that individual along with the CGA member they are associated with will be asked to leave the Show Grounds. If you are bringing some guests with you, be sure they understand. It could be your saddle they are messing with!

We would like to thank each and every one of you for making it out this year. Please take the time to thank members of our Show Management Team and our State Office Crew for all of the hard work they put into bringing you the best Gymkhana Show possible!

Good luck riders and have a great 2026 State Show.

A Letter from Our President

Welcome to State Show! My first State Show wasn't that long ago, and I made a decision that was a little outside of my comfort zone—I challenged myself to meet as many people as I could. What I found was more than just competition. I found friendships, encouragement, and a community that made the entire experience unforgettable.

That is what makes this event so special. Yes, we have talented and dedicated riders from across the state, but what truly sets State Show apart is the people. The support, the sportsmanship, and the connections you build here are what you will remember long after the last run.

I encourage each of you to take advantage of that. Introduce yourself to someone new, cheer for others, and be part of what makes this association so strong.

This is your State Show. Make the most of it, represent your districts with pride, and most importantly—have a great time.

Let's make this the best week ever.

Optional 5-D Jackpots for the 13 events

Riders may optionally enter a jackpot for any or all of the regular events. The cost is an additional \$5.00 per event, and a rider may choose to enter the Jackpot for some, or all of the regular events. These jackpots are unrelated to the rider's division or age, and whether or not they are riding a horse or a pony. They are based strictly on the time the rider achieves in that event. *Only the times of the Riders entering the Jackpots count.* The size of the payout is determined by the number of riders in the jackpot. The Payout is:

Fastest ride	- 40 % of the jackpot
2-D ride	- 30 % of the jackpot
3-D ride	- 10 % of the jackpot
4-D ride	- 10 % of the jackpot
5-D ride	- 10 % of the jackpot

CGA - None. All jackpot money is paid back to the riders.

2-D, 3-D, 4-D and 5-D rides are those that come the closest (*without going faster*) to the fastest time of those entering the jackpot +(plus) the adjustment factor for that event. The adjustment factors are listed below.

Event	2-D Adjustment	3-D Adjustment	4-D Adjust.	5-D Adjust.
BAR	+ 1.380	+ 2.761	+ 4.141	+ 5.521
BR	+ 1.120	+ 2.241	+ 3.361	+ 4.481
F8F	+ 3.130	+ 6.260	+ 9.391	+ 12.521
F8S	+ 0.820	+ 1.640	+ 2.461	+ 3.281
HS	+ 1.564	+ 3.127	+ 4.691	+ 6.255
KH	+ 1.317	+ 2.634	+ 3.951	+ 5.268
P1	+ 1.534	+ 3.067	+ 4.601	+ 6.135
P2	+ 2.367	+ 4.734	+ 7.101	+ 9.468
QR	+ 1.587	+ 3.174	+ 4.761	+ 6.348
SBL	+ 1.204	+ 2.407	+ 3.611	+ 4.815
SBR	+ 0.814	+ 1.627	+ 2.441	+ 3.255
SSR	+ 0.544	+ 1.087	+ 1.631	+ 2.175
BT	+ 2.035	+ 4.070	+ 6.105	+ 8.140

For example, if the fastest ride in Poles I was 10.990 seconds, and the jackpot was \$400.00, then that rider would receive \$160.00. The rider closest to the 2-D time of 12.524 (10.990 + 1.534) *without going faster* would receive \$120.00. The rider closest to the 3-D time of 14.057 (10.990 + 3.067) *without going faster* would receive \$40.00. The rider closest to the 4-D time of 15.591 (10.990 + 4.601) *without going faster* would receive \$40.00. The rider closest to the 5-D time of 17.125 (10.990 + 6.135) *without going faster* would receive \$40.00.

The only exceptions to this law, are vehicles that are involved in an emergency, including, but not limited to, CGA State Show Management.

10. Bicycles, skateboards, skates and scooters are not to be ridden in the grandstands or Patio area. Please keep these things at either end of the grandstands and out of the way of pedestrians. Bicycle helmets are mandatory for all bike riders under the age of 18. **Please utilize the provided “Bike Corral” outside the grandstand entrance for bikes, scooters, etc.**

11. Anyone operating an electric bicycle, scooter or one-wheel must be 16 years old or older.

12. No pets/animals are allowed in the grandstands or any building at any time. Service Animals specifically trained to aid a person with a disability are welcome. You will also be required to have proof of Rabies Vaccination for your pet and show proof if requested.

13. All pets are to be kept on leashes, or restraints, at all times. The tag given at registration must be displayed on the dog collar at all times. Any aggressive animal will be required to be removed immediately. Please remember to clean up after your pet as it is required by Bolado Park. You are required to have proof of Rabies Vaccination for your pet and furnish if requested. If requested by show management, proof of Rabies Vaccination must be furnished within 30 minutes or your animal(s) will need to be removed from the premises immediately.

14. No Livestock, including rabbits and poultry, other than those qualified to compete in CGA events are allowed on the grounds for the duration of CGA State Finals.

15. There is a 10:00 PM curfew. This is a Bolado Park regulation mandated by orders from the San Benito County Court. All CGA members will adhere to this policy.

16. VEHICLES: Only licensed drivers are allowed to operate any vehicles on the show grounds. All golf carts operating on fairgrounds property will be required to check in with at the CGA State Office and sign a release of liability prior to operating the cart on the grounds. All golf carts operating after dark must have lights. Red or Green sticker off road vehicles including off road style ATV's, go-karts or similar are NOT allowed. Only Golf Carts and side by sides are allowed. A 5 MPH speed limit will be enforced by for all vehicles including bicycles, scooters and golf carts.

**PEDESTRIANS AND ANIMALS HAVE THE RIGHT OF WAY!
USE CAUTION AT ALL TIMES!**

17. No vehicles, with the exception of tractors, side-by-sides and golf carts, are permitted within the fenced track/arena area after initial drop-off. This restriction includes all pipe stall areas. Individuals utilizing pipe corrals are responsible for making alternative arrangements for daily feeding, stall cleaning and related care.

18. Only parent or legal guardian can sign the entry form/release of liability for riders under 18 years of age.

19. Do not move any delineators, concrete barriers or signs without first obtaining approval from the appropriate show management staff.

20. Stalls: Stall facilities on the grounds will be provided on a first come first served basis. No stalls may be reserved or saved. Only Show Management has the privilege to reserve stalls for their own use, because early arrival of the management is required to set up the show. A stall cannot be saved/claimed until the horse occupying the stall is on property.

Please make sure your animal is current on all inoculations.

U-Barn Stalls can be reserved through the State Office and are only issued with a completed State Show Entry Form. The State Office will contact you when and if you have been assigned a U-Barn Stall (32 stalls). See the entry form for additional costs of these areas. Entries received reserving a U-Barn stall must be accompanied by registration and payment of a minimum of 10 events.

All other stalls, you may put your horse in any stall that has not been taken. You may NOT save a stall for a friend or relative, you may only take the stall(s) you have paid for once the horse is on property. No stalls may be used for horses not entered in the regular show. Stalls can be reserved for any horses entered in at least 5 of the 13 events. If a horse is only entered in setups or team events, you may NOT reserve a stall. You may not lock up a stall. Any stalls found locked will have the lock cut off. The stall is not yours unless your horse is on the property.

No dividers are to be removed from any stall, including Barns A, B & C.

You can only utilize shavings and pelleted bedding (NO straw, per Park Management) for your stall. You must keep your stall clean and give your animal fresh water so bring a water bucket, stall rake or shovel and only put stall cleanings/manure in designated locations so the park crew can come around and clear it away easier. ALL STALLS must be cleaned of all manure and shavings when the show is over before you leave the grounds. Riders leaving a stall uncleaned may be assessed a clean out fee.

STALLIONS. All stallions are required to be in pipe corrals that are located in the center of the arena area. You must contact the Barn Manager for your stall if you have a stallion. Stalls have been isolated for you. If you have a biter or kicker you should plan to bring orange plastic netting to install between your stall and others to eliminate any problems. All horses/ponies entered in the show must have their CGA stall card displayed as soon as possible. At no time may a horse /pony be kept in a trailer or tied overnight.

Do not use stalls to store feed, tack, etc. only animals since space is limited. The A barn has smaller stalls, if possible, ponies are encouraged (but not required) to use them.

No EZ up or similar temporary shade structures will be allowed in any stall areas.

21. Horse Trailer Parking: Please park your horse trailer in the designated areas. Remember to keep the roadways clear at all times. The fire apparatus and ambulances that may have to respond are much larger and require room to maneuver around, keep this in mind when you park your trailer and whenever you are driving around the grounds. What may only take a minute to you may severely delay emergency care or action for someone else. Horse trailers are not allowed in the camping area unless they have been cleaned out and are being used as a living area. Remember at no time are horses allowed in the camping area.

- No camping, vehicle parking or horse trailer parking anywhere in the U-Barn Area.

Smoking and vaping are also not allowed anywhere on or near the arena/track space. All related materials must be disposed of properly and not left on the ground. Failure to comply will be considered littering and may result in additional cleanup costs charged to CGA.

24. Electrical Outlets: Electrical outlets are assigned on a "first-come" basis. Do not tamper with electrical covers and circuit breakers. If you have an electrical problem, please contact show office. 20-amp service is available, and you must bring your own cord since outlets may be some distance from your camp. Use of air-conditioning is not allowed unless you are using your own generator. Tampering with electrical outlets at any time will cause you to be removed from the show grounds.

25. Water outlets are on a limited supply (first come basis) and are part of the camping hook up charge. Should you require water for medical reasons advise show management so accommodations can be made.

26. BBQ Ashes; All BBQ ashes and charcoal briquettes must not be dumped in the trash cans or dumpsters. They must be completely cold then be placed in a bag for disposal. No open flames allowed.

27. No Pools Allowed – There are no pools of any kind allowed. This includes pools of all shapes, sizes and designs.

28. State Records: CGA State records may be broken only during regular events. The last person to break a State Record for an individual event receives \$500.00 and is honored with a special award at the annual CGA Convention. Riders who break a State Record in a Team Event split the \$500.00 and are honored with a special award at the annual CGA Convention.

29. Protest Procedure: A verbal protest must be made to the Show Office within fifteen (15) minutes of the incident. A written protest must be presented within thirty (30) minutes of the verbal protest accompanied with ONE HUNDRED (\$100.00) dollars CASH. A protest committee (Rules Chairman and all available Master Judges) will conduct a meeting to decide on the protest. All decisions are final.

30. Pony Measurements: Ponies without a current season pony card must be measured at the State Show prior to running the first event. Pony measurements will take place on Saturday July 19th – on the concrete pad near arena 5 gate.

31. DIVISION SIGNUPS: Division Signups – If you are Champion rated, you may not sign up lower than the division you are rated by CGA State Office. If you are Reserve rated, you may sign up one division lower than the Reserve rated division, if you choose. Keep in mind, a rider may accumulate high points (points) in the division he/she is signed up in and ONE division higher.

32. MULTIPLE ENTRIES: If you signed up on multiple mounts; accommodations may be considered if both mounts are called to ride at the same time in different arenas. However, you must send a representative to the arena you are not riding in to notify the announcers and judge PRIOR to ride time. You may be moved down but you must ride within your division or you will be given a one-minute call. Once the event has been advanced to the next division you will not be allowed to ride out of order.

**IF YOU HAVE ANY QUESTIONS ABOUT ANY OF THESE
RULES, POLICIES OR RECOMMENDATIONS;
PLEASE CALMLY AND RESPECTFULLY CONTACT THE
CGA STATE SHOW MANAGERS AT A REASONABLE TIME.**

Match Race Procedure

PLEASE NOTE: The Match Race rules will be available for reading at the show.

1. The top 16 times run during the course of each event regardless of what division a Rider is running in will qualify the Rider to ride in the Match Races. If a Rider is riding two mounts and qualifies on both in an event, the Rider can only ride one of the mounts in the Match Race and must declare which mount he/she will ride when signing up at the entry booth. Eight (8) alternates will be named (the next eight best times) to ride in case of injury or any one of the top 16 Riders chooses not to participate. All the alternates should be at the gate ready to ride in case one of the 16 finalists do not show up for some last-minute reason. **All riders including alternates** who qualify for a Match Race **must sign** in at the entry booth **in person within 30 minutes from the time the list of riders is announced** if they choose to participate. If any rider doesn't sign, the next alternate will be moved up. *Alternates, do NOT sign "yes" if you do not intend to ride.*

2. The Riders will be randomly selected to ride in each of eight (8) heats (two Riders per heat). This competition will result in eight (8) winners who will then compete in four (4) heats. This competition will result in four (4) winners who will then compete in two (2) heats. The two (2) winners of that competition will then compete in the finals to determine Champion and Reserve Champion. The losers from the previous heat receive a tie for Semi-finalist money.

3. Dual Lane electronic timers will be used to start each race, to call a foul start and to declare the winner.

4. Two Riders will be called into the arena. As the first Rider enters the arena, an electronic timer will start counting and at 15 seconds a warning signal tells the Riders that the race will begin in 5 seconds. If a Rider crosses the starting line prior to the starting horn, the electronic timer will set off a foul start light and that Rider will be disqualified. For the Riders that have a good start, the timer will flash a green light for the first rider to cross the finish line. The first Rider to cross the finish line with the least number of obstacles knocked down will be the winner of that heat. In the event of a timer malfunction, the Head Judge will either declare a winner (if it's obvious), or require that the heat be rerun.

5. If all Riders are disqualified in a specific heat, there will be no winner for that heat.

6. If anyone outside of the arena assists a Rider who is in the arena, such as holding the mount from over the fence or has any physical contact with the mount, the Rider will be disqualified. Everyone must stay **at least 10 feet from the fence** once the system is on.

A TIP OF THE HAT TO MR. FRANK HYDE

It is often asked why #1 is not assigned as a number at the CGA State Championship Finals. The reason: a wonderful man named Frank Hyde.

Frank was one of the biggest supporters of CGA for nearly 40 years. His contribution to the sport of gymkhana in California is unequalled. His reputation as a skilled and dedicated horseman and trainer led the L.A. Times to write two articles about his contributions during the 90's.

Frank's love of horses and the sport spanned decades, and his kindness and influence were felt by thousands. He was 69 years old when he made Hall of Fame in 1986, and was still competing at State well into his 80's. His philosophy of patience and fairness to the horse and the art of being a good winner *and* good loser are just a few of the values Frank lived by and always conducted himself as an example to all.

So, when it is asked why #1 is not assigned at State Show, it has been retired, forever belonging to Mr. Hyde. His contribution to CGA and the model of the man he was is due that honor.

Frank Hyde passed away peacefully at his ranch Tuesday morning, Oct. 11, 2011 at the age of 94. His legacy of kindness and compassion lives on through our organization to this day!
